

## We have added a **NEW** feature

to the **RCM** (Revenue Cycle Management) for credit and debit card transactions for patients and payers. It is **FREE** to sign up to use this service.

(Standard BlueSnap merchant fees of 2.9% may apply).

## **Benefits of using DENpay:**

- ➔ *A virtual system with no hardware required*
- ➔ *Credit card information can be stored*
- ➔ *An auto charge can be done, eliminating the processing and patient balances automatically reconciled*
- ➔ *We charge \$0 for patient balances when used for patient payments*

*Login to the **RCM***

**Click on the "patient payment" tab in the middle left hand side of the screen (dark gray taskbar on the left side)**

The screenshot displays a dashboard with a dark gray sidebar on the left containing various icons. The main content area features a top row with two summary cards: a blue card for 'Daysheet Count' showing '0' and an orange card for 'MTD Revenue' showing '\$0.00'. Below these are two data tables. The first table, 'Claim Activity - Claim Amount', shows 'No Data found'. The second table, 'Provider Revenue MTD', also shows 'No Data found'. A third table, 'Claim Acti', is partially visible on the right and also shows 'No Data fo'.

*This screen will appear:*

A screenshot of the DENpay Virtual Terminal interface. The interface is titled 'DENpay Virtual Terminal' and includes a 'DENpay Setup' button in the top right corner, which is highlighted by an orange arrow. The main content area features a large 'DENpay' logo and the text 'HiPAA Compliant'. Below this, there are input fields for 'Patient Name' (with a placeholder 'Type To Select Patient') and 'Amount' (with a placeholder '0'). There is also a 'Switch to save only card details.' toggle. The 'Card Holder' section includes a 'Card Holder Name' field. The 'Card Number' section includes a card number field, a 'VISA' logo, and an 'Exp. (MM/YY)' field. The 'CVV' section includes a CVV field. There is a checkbox for 'Save this card for future transactions' and a 'Make Payment' button. At the bottom, there are logos for PCI, BlueSnap, 3D SECURE, and HIPAA COMPLIANT.
